- Mood Disorders (depression, bipolar affective disorder, dysthymia, seasonal affective disorder)
- Anxiety Disorders (generalised anxiety disorder, panic disorder, OCD, social phobia)
- Post-Traumatic Stress Disorder
- Stress-related illness
- Perinatal psychiatry (depression and puerperal psychosis)
- Personality disorder
- Interaction of physical illness and mental ill health
- Drug and Alcohol disorders
- Capacity assessments.

Medicolegal experience

I am practicing consultant in both NHS and private practice, and have experience of assessing and treating a wide range of conditions. I have prepared medico-legal reports throughout that time. I have typically prepared around 20 reports per year.

My medicolegal experience includes:

- Mental Capacity (consent to treatment, court of protection, testamentary capacity)
- Personal Injury
- Criminal Justice (offender assessments, fitness to plead)
- Mental Health Act
- Employment and Occupational Health
- Immigration and Asylum
- Housing.
